Article III—Personnel Policies

3.1 Grievance Procedure

A. Definitions

1. Grievance: An allegation by a unit member that an action affecting them is a violation of one or more provisions of this Agreement, or an allegation by ASASP that an action of the Board is a violation of ASASP rights as enumerated in Article II.
2. Grievant: The individual filing the grievance.

3. Days: The term days as used in this grievance procedure shall mean days other than Saturday, Sunday or School Holidays.

B. Purpose

The goal of a grievance procedure is to secure at the lowest possible level an equitable solution to the grievance. Both parties agree that the grievance proceedings shall be kept confidential at each level of the procedure.

C. Procedure

A person electing to use the grievance procedure is admonished to follow the steps outlined below specifically. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level shall be regarded as a maximum, and every effort shall be made to expedite the process. The time limits specified may, however, be extended by mutual agreement between ASASP and the Administration.

Step One: A unit member who believes that an action affecting them is a violation of the Negotiated Agreement should discuss it with their immediate supervisor within ten (10) days of the alleged violation. If requested by the grievant, an ASASP representative may be present when the grievant discusses the grievance with their immediate supervisor.

Step Two: In the event the grievant is not satisfied with the outcome of the Step One discussion, the grievant may file the grievance in writing with ASASP within five (5) work days of the discussion at Step One. Within fifteen (15) work days of the discussion at Step One, ASASP may forward the grievance to the immediate supervisor. If the grievance is referred within the time limits, the supervisor shall have ten (10) work days to respond to the grievant.

Step Three: If the grievant is not satisfied with the disposition in Step Two, the grievant may again file the grievance with ASASP within five (5) work days of the decision at Step Two. Within fifteen (15) work days of the decision at Step Two, ASASP may forward the grievance to the Chief Human Resources Officer, who shall have ten (10) work days to respond to the grievance.

Step Four: The decision at Step Three shall finally determine the matter unless ASASP, within fifteen (15) work days of the decision at Step Three, advises the Chief Human Resources Officer of its decision to proceed to arbitration. ASASP shall submit a demand for arbitration to the American Arbitration Association with a copy sent to the Chief Human Resources Officer. The request shall state in reasonable detail the nature of the dispute and the remedy requested. The parties shall then be bound by the rules and procedures of the American Arbitration Association governing labor arbitration. ASASP shall represent the grievant at the arbitration level.

The parties understand and agree that only grievances as defined in Section 3.01 herein are subject to arbitration under this Agreement. The arbitrator's decision shall be final and binding on both parties. However, the Board may decline to implement an award which in good faith it believes violates federal law, state law, State Board of Education Bylaws having the force and effect of law, or controlling Board policies, rules and regulations. Such policies, rules and regulations must have been brought to the attention of the arbitrator in order to be the basis of the Board's declination to implement an award. Such a declination shall be subject to judicial challenge.

D. Miscellaneous

1. A grievance may be withdrawn at any level without prejudice or record.
2. Cost for the arbitration will be shared equally by the Board and ASASP.
3. Both parties shall be permitted to present evidence and witnesses and to cross-examine all witnesses whenever an arbitration hearing is held.
4. All documents, written communications, notes of oral communications, and records dealing with the processing of a grievance will be kept in a separate file and will not be kept in the official personnel file of any of the participants.
5. All decisions rendered at all levels of the grievance procedure will be in writing, setting forth the decision and the reasons therefore, and will be transmitted promptly to the Association.
6. Meetings and hearings scheduled during the grievant's working hours shall be counted as time worked. School employee witnesses called by either party shall likewise lose no pay.
7. No reprisals of any kind shall be taken against the unit member(s) involved in the grievance procedure.
8. A grievance shall be automatically waived and shall not be subject to further discussion or appeal if the grievant does not process it within any of the stated time limits. If the administration fails to respond to a grievance within the stated number of days, a grievance may be elevated to the next step of the process. Such time limits may be extended only by mutual agreement between the parties.

3.2 Work Day, Work Week, Work Year, Working Conditions

- A. Unit members who are employed for eleven months may be scheduled to work 210 days of the fiscal year between July 1 and June 30. The ASASP eleven month calendar will be completed and signed by June 15 of each year for the following school year. Principals and Assistant Principals should work collaboratively as an administrative team to determine the actual 210 days the

Assistant Principal will work. This calendar shall serve as a guide only for the days that the eleven month Assistant Principal to work, as the needs of the school or the school system may change throughout the school year, and as such the calendar may need to be amended.

- B. Unit members who are employed for twelve months will be scheduled to work all days that the central offices of the school system are open.
- C. It is understood and agreed that because of the nature of the unit positions, bargaining unit employees have responsibilities that extend beyond the work day and work week.
- D. All unit members shall have a duty-free lunch period of 30 minutes. This lunch period will be scheduled by the member's supervisor to accommodate normal duty responsibilities.
- E. Working Conditions - The Board will continue to make every effort to ensure that well-maintained and appropriate offices and office areas are provided.
- F. The Board of Education and The Association of Supervisory and Administrative School Personnel Unit II recognize that the nature of the jobs performed by members of the unit is such that work beyond the customary 40-hour work-week is often required. The Board recognizes that professional staff will exercise professional judgment in determining when the needs of the school system permit them to attend to personal business of relatively brief duration during normal working hours without using leave for those absences from the work site. Supervisors will receive prior notice of such absences to maintain work site stability and employee accountability. The parties recognize that unit members will not abuse these privileges and the Board, at the appropriate supervisory level, retains the rights to deny such privileges to any unit member whose pattern of absences from work appears inconsistent with performance of his/her duties.

3.3 Promotions, Voluntary Transfers and Assignments

- A. All vacancy announcements will be advertised on the Prince George's County Public Schools website. Unit members interested in a promotion should submit a resume and letter of interest by the deadline that is stated on the position announcement. Resumes will be kept on file for one school year, so unit members will only need to file a letter of intent for other posted promotional positions.
- B. Unit members interested in being considered for a transfer should submit a written letter specifying the grade level, school and/or work location of interest to the Human Resources Division. Written transfer requests may be considered between January 1 and June 30 of the current fiscal year. A transfer list will be developed and the Deputy Superintendent/Designee and the Chief Human Resources Officer/Designee will review all transfer requests against

available positions within the school system. The principal of the receiving school would be involved in the review and selection process for any vacant position that falls in this category. Final decisions would be confirmed by the Regional Assistant Superintendent and Director of Human Resources.

- C. All voluntary transfers, promotions or assignments will be confirmed in writing by the Deputy CEO or Chief Human Resources Officer. The letter will include the effective date of the voluntary transfer, promotion or assignment.
- D. Unit members interested in a promotion should make application as required by position announcements. Application materials will be kept on file for one year, so unit members will only need to file a letter of intent for other posted promotional positions.
- E. Transfer request forms will be considered current for the remainder of a fiscal year except those submitted between March 1, and June 30 of one fiscal year will also be considered for the next fiscal year.
- F. Whenever a Unit member is promoted/transferred to (in) the position of Principal, and the assigned school has within its allotment Assistant Principals or wherever an Assistant Principal vacancy exists, the Principal will be given an opportunity to select his/her Assistant Principal(s). However, nothing in this Agreement shall limit the CEO or Board from assigning an individual to a position that best meets the needs of the school system.

The joint labor management committee will meet to discuss and develop transfer procedures and a process for allowing newly appointed Principals to have the opportunity to select their new leadership team.

- G. ASASP will be notified within ten (10) school days when vacancies are filled administratively and non-competitively.
- H. A unit member temporarily filling a vacancy at a higher grade by written appointment of the CEO for more than ten (10) consecutive work days shall be named "Acting" and receive prorated compensation and leave for that position retroactive to the first day of the assignment. Any Unit II member appointed by the Board to a position in an acting capacity may hold the title "Acting" for no longer than one hundred eighty (180) work days, after which the member shall be given a regular appointment to the position if the member is qualified.
- I. When filling a Unit II vacancy in a school the CEO or his/ her designee shall review and consider the recommendations of the incumbent principal.
- J. An applicant for promotion who has not been selected may request and be granted a conference with the CEO's designee to discuss the circumstances of his/her non- selection.
- K. The Human Resources Department shall publicize requisite qualifications and terms of experience and education for each job classification in the bargaining

unit. Unit members will be given priority consideration for vacancies in the bargaining unit at Grade 2 and above.

- L. An applicant for promotion will receive a response from the Human Resources Department within 15 days after the final selection of the chosen candidate.
- M. The Chief of Human Resources will notify ASASP of any known Unit II vacancy which will be staffed by voluntary transfer, promotion or new appointment.
- N. In the event the Maryland State Department of Education mandates that services are to be provided by an outside contractor and as a result, the Board does not have sufficient vacancies to transfer any adversely affected employee, the provisions for Involuntary Transfer and Reduction-in-Force will apply.

3.4 Involuntary Transfers

- A. When an involuntary transfer of a unit member is deemed necessary, the affected unit member may request and shall be granted a conference with the CEO or designee for reviewing the reason(s) for the transfer and to advise the CEO/designee his/her preferences concerning reassignment.
- B. The unit member who is involuntarily transferred for other than less than satisfactory performance and/or disciplinary reasons to a lower position on the salary scale shall have their current salary “red-circled” for a three (3) year period. Should the salary of the lower position increase above the “red-circled” employee’s salary during the three (3) year period, the employee will receive the appropriate salary increase and placement on the salary scale.
- C. A unit member who is involuntarily transferred to a lower position on the salary scale due to less than satisfactory performance shall be paid, effective the date of the transfer, at the annual salary of the lower position. However, if the member files an appeal of the transfer within the state mandated timeframe, such unit member shall have his/her salary red-circled (i.e., have their current salary frozen, and would not receive any wage increase at the former grade), until the appeal is decided by the Board of Education of Prince George’s County, for a maximum period of ninety (90) days from the date any such appeal is received. Any extension of the 90-day period must be approved by the Board of Education, at its sole discretion. A unit member involuntarily transferred to a lower position on the salary scale during the school year shall have his/her salary continued for the remainder of the school year per State law.
- D. Unit members shall be given an opportunity to discuss their assignments with the appropriate supervisor.
- E. Unit member who is involuntarily transferred from one position in the Unit to another, immediately, or soon after an internal investigation or as a result

of a discipline conference with his/her immediate supervisor, must be given written reasons for such transfer within five (5) working days.

- F. No grievance of this article may proceed to arbitration under the grievance procedure except where the grievance alleges discrimination or alleges the transfer decision was made arbitrarily or capriciously in violation of controlling Board policies, rules or regulations.
- G. If an alleged violation of this section proceeds to arbitration, the non-prevailing party shall be responsible for the full cost of the arbitration.
- H. When it is necessary to transfer or reassign a unit member outside Unit II, for reasons other than performance or discipline, that unit member shall be given priority consideration for all vacancies in Unit II for which he/she is qualified.
- I. Except in emergencies, at least two (2) weeks before a proposed transfer is to take place, the CEO shall notify the Unit member of the proposed transfer, and shall meet with the Unit member and a representative of ASASP, if requested by the Unit member, to discuss the reasons for the transfer.
- J. The Chief Human Resources Officer shall provide the Union and each work location with a list of vacancies in Unit II so that Unit members may timely apply for the same.
- K. Staff reductions may need to be effected from time to time in order that the Board of Education may conform to such guidelines or criteria of employment as the approved Board of Education Staffing and Student Allocation formulas and/or as required by appropriate State and/or Federal Authorities. When this occurs, a request for volunteers for the impacted position may be considered before the involuntary transfer provision outlined in Section 3.04 is applied.

- B. Unit members shall be evaluated in accordance with COMAR Title 13A, Subtitle 07, Chapter 04, Evaluation of Professional Certificated Personnel.

- E. Unless there are extenuating circumstances, employees will have at least 45 work days to correct an interim unsatisfactory evaluation or an interim, which shows need for improvement.

- G. Unit members have the entitlement to review any negative written material used in their evaluation, and may receive a copy of said material.
- H. Complaints about or material derogatory to a unit member will be maintained in a file on that unit member and/or used in his/her evaluation only if:
 - 1. The complaint or material has been put into written form.
 - 2. The unit member has had an opportunity to review the material and been given a copy.
 - 3. The appropriate administrator has substantiated the allegation.
 - 4. The unit member has had the opportunity to review such material and to affix his/her initials to a copy with the expressed understanding that such initialing does not indicate agreement with the contents. The unit member shall be permitted to attach his/her comments related to the derogatory material.

Such information or complaints shall not be used in employee evaluations absent investigation and confirmation of the information by the supervisor.
- J. - L. An ad hoc joint committee of three (3) designees of the CEO and three (3) designees of ASASP shall review the evaluation process of unit members, and submit a summary of recommendations to the CEO during FY2002.

- M. Future revision of personnel evaluation forms shall be undertaken after the solicitation of suggestions from Unit II representatives as designated for such purpose by ASASP.
- N. The CEO and/or his designee shall inform ASASP within 30 days after receipt of any permanent changes in State and/or local certifications for its members.

3.6 Resignation/Separations

Except for wages which shall be paid in accordance with Section 3-505 of the Annotated Code of Maryland, Labor and Employment Volume, when an employee separates from the school system, the individual will, within thirty (30) work days of the official notification being received in the Human Resources Division, receive a letter which outlines the obligations, if any, which must be satisfied prior to the issuance of a “final check” from the payroll office.

2. In making determinations on individuals to be RIFFED, the CEO will take into consideration the total length of service since most recent date of hire in any position for which ASASP has been designated as the exclusive representative. Consideration of seniority shall not govern when a senior employee is RIFFED because of the senior employee's lack of demonstrated qualifications or job performance as measured by evaluations, observations, or any other substantiated documentation of such unit member's performance.
- 3. No RIFs [lay-offs] of unit members shall be effectuated without the Board, through the Chief Human Resources Officer first exhausting all of its best efforts to have such personnel reassigned to another position within the Unit, if the Unit member has the qualifications consistent with the identified job opening.**
- 4. In the event, however, that upon a finding by the Chief Human Resources Officer that reassignment is not feasible, and as a last resort there must be a RIF, the following procedure shall apply:**
 - a. Seniority in a particular position;
 - b. Seniority within the Unit;

In this instance, the Board shall provide supporting documentation that the member was offered a position.

The Board shall bear no further obligation to a terminated Unit member who has been offered reemployment for a position with the Board, for which he/she is qualified, despite the fact that such an offer of reemployment was made prior to the conclusion of the **Twenty-four (24)** month period referenced in Sub-section 1, of this Section C above.
