GREETINGS FROM THE EXECUTIVE DIRECTOR

Greetings AŞASP Members,

I hope this week finds you and your family in the very best of all good health and spirits. As you prepare to welcome your new staff into the building tomorrow and the full staff back on Friday, be sure to plan some time in your day for a mental break from it all.

Every chance that you get to relax, relate and release, cease it before the students return on the 29th. My

weekend was full of family, fun and festivity, as I tried to hold on to these last few days of summer. I imagine you did some of the same. I hope that your weekend was as restful, eventful or uneventful and enjoyable as you wanted. Have a great opening week and although it may be stressful, have fun and find some time for a few mini mental breaks.

Jeffery J. Parker

Who Is AŞAŞP???? (Just in case someone asks)
Association of Şupervisory and Administrative Şchool
Personnel

AŞAŞP is.....

1000 voices strong, harmoniously singing the same song and speaking up for respect, dignity, fair compensation, and equal opportunity every day, as we lead, administer and supervise the schools, departments, and offices of Prince George's County Public Şchools, in our effort to educate the masses.

AŞAŞP is.....

2000 hands clapping, pointing, clinching and writing to our administration, legislators, politicians, parents whenever their ear, eyes or voice is needed for support to ensure that our students and staffs are safe and able to learn every day that **WE LEAD** the charge and daunting tasks we face daily.

AŞAŞP.....

2000 feet and 20,000 toes walking the halls, marching for justice, running meetings, events, offices, and schools, all while **ŞTANDING UP** for ourselves, our staffs, our students and for what we deserve, for what **WE DO** each

day as we strive to prepare our students for A Different World.....

It is not just Jeffery Parker, Doris Reed, Hugh Weathers, David, Veronica or the board of directors, It is all 1000 of us and if we stick together, like Sade said, "Nothing Can Come Between Us."

Let's Stand UNITED..... UNION STRONG

210 Day Work Calendar **Updated 8-15-22

Keep in mind that if you return to work on one of the following days and work straight through, your finish date would be the corresponding date.

Start - Finish

August 1, 2022 – June 21, 2023

August 2 – June 22nd

August 3 – June 23rd

August 4 – June 26th

August 5 – June 27th

August 8 – June 28th

August 9 – June 29th

August 10 – June 30th

*Principals and Assistant Principals, we are on the same team, so please work together to ensure that we minimize confusion about the work calendar.

*There are actually 210 school work days between August 1, 2022 and June 21, 2022.

*There are 7 more available work days between June 22nd and June 30th, which brings the total available work days to 217 and allows AP's staggered start and end dates. This correction was made after an error was brought to the attention by a member.... Thanks for sharing G.T.

DON'T FORGET: AP's are only required to work 210 Days!!

*The other thing to remember is, if you work any portion of any Saturday or Sunday, you must include those days in

your 210 day count. That means any weekend sports event or other school event that you cover.

*Principals and Assistant Principals, please sit down together, customize your calendars, especially if you have just recently transferred to a different building.
